

Recruitment Evening

Estates and Facilities

Monday 28th July; 5.30-7.30pm

Our Estates and Facilities service at Myerscough College has recently reviewed its structure and operations and is incredibly excited to be growing our team. We would love you to be part of this, at a time where we are looking at fresh ideas, creativity, and a desire to improve and build on an already brilliant team.

We know that filling in application forms can take time and effort, so our recruitment evening is an ideal way to make sure we're the right fit for you before you invest that time.

If you're not sure whether to apply, what to apply for, or just want to learn more about Myerscough and our service, join us for a recruitment open evening on Monday 28th July between 5.30pm and 7.30pm where you can meet our managers, some of the team, and find out more about us and the roles available.

- Maintenance Manager

- Estates and Projects Manager
