

Myerscough
College & University Centre

Open Day and Country Fair

Sunday 11th June 2023

Action packed entertainment and fun for all the family!

Lots to see and do across the entire campus
from the **country fair** to the **sports pitches**

Welcome to our Open Day and Country Fair

We are delighted to be able to welcome you once again to our Open Day and Country Fair.

It's four years since we have been able to open up the campus to everybody for our biggest event of the year and it feels great to be back.

This event provides a real opportunity to explore Myerscough College and University Centre and the breadth of provision that we have to offer. With some of the very best achievement rates for 16-18 year old students amongst all specialist land based colleges and in the top 15% of all college achievement rates nationally we hope that you agree that we remain one of the best choices for learners wishing to study for a further education course, adult education course, degree or apprenticeship.

We have all subject areas available today to discuss our courses and outstanding progression opportunities so please feel free to ask as many questions of our staff as you wish. I am confident they will all give you a very warm welcome.

There are many activities and displays scheduled throughout the day so please check the programme and listen for the tannoy announcements.

On behalf of all of our staff we wish you a very enjoyable day and hope to see you return to the College and University Centre soon.

Very best wishes,

Alison Robinson
Chief Executive and Principal

What's on

Use our numbered campus map at the back of the programme to guide you around the College campus. The numbers shown in brackets relate to the key on the map. All activities run throughout the day, unless otherwise stated. For catering, toilets and emergencies see pages 6 and 7 and map.

PLEASE NOTE THAT ALL ACTIVITIES AND TIMES ARE LISTED AS THEY WERE AT TIME OF PRINT AND THEY ARE ALL SUBJECT TO CHANGE.

The College’s photographers will be present at Open Day, taking pictures of the various activities. In this context we wish to inform visitors that they may be photographed during the course of the day. Our photographers will endeavour to gain consent from any visitor who is clearly prominent in a photograph. These images will only be used in future event publicity.
