Myerscough partners with UCLan to create prestigious Veterinary School University Centre

Myerscough has partnered with the University of Central Lancashire to create Lancashire's first Veterinary School.

The Veterinary School delivers foundation, undergraduate and postgraduate courses in areas such as veterinary medicine, bioveterinary science, veterinary clinical practice, veterinary physiotherapy and rehabilitation, and clinical animal behaviour and training.

UCLan collaborates with University Centre Myerscough and local veterinary partners to deliver certain programmes of study. Students will benefit from Myerscough's renowned animal training facilities which have underpinned their established Royal College of Veterinary Surgeons (RCVS) accredited vet nursing programmes, alongside UCLan's experience of establishing leading UK medical, dental, pharmacy and optometry schools with significant and continuing investment in state-of-the-art clinical training facilities.

For more information please visit **www.uclan.ac.uk**.

Tuition Fees

The tuition fees for degree courses starting in September 2023/24 will be published on the Higher Education finance pages of the website. As a guideline, the fees at University Centre Myerscough for all new UK students who started on Higher Education degree courses in 2021/22 were as follows:

Foundation Degrees £9,250 per year
 Honours Degrees £9,250 per year

Brilliant campus, superb facilities and a great location!

The campus at Myerscough's main centre in Preston is quite simply amazing. Set in 600 hectares of open, green surroundings, Myerscough College offers all the facilities you could need for a great time – a great social life, state-of-the-art sports academies and comfortable, easy-going accommodation.

We've recently invested upwards of £30 million on campus developments, providing new sports and changing facilities, new dining facilities, a new mechanisation and engineering centre and a dedicated Rural Skills centre. What's more, you're in easy reach of all the shopping and nightlife that nearby Preston, Lancaster and Blackpool have to offer. If its fresh air you're after, the surrounding countryside (plus the Lake District, just up the M6) offers unlimited mountain-biking and outdoor sports opportunities.
