

Advanced Apprenticeship in Floristry

This programme is suitable for those employed in a supervisory capacity within the sector, seeking to progress to a higher level of qualification.

Programme Length

Work-based delivery over a minimum* of 24 months, dependent on initial assessment.

*Minimum durations apply for 16 – 18 year old. 19 + learners can apply for accredited prior learning which may reduce the duration. Funding rules dictate a minimum of 12 months duration.

Venue

Work Based blended delivery programme consisting predominantly of on-site training and assessment within the workplace, supported by off-site technical training at local training and assessment venues as required. Course teaching, learning and assessment is enhanced through the effective use of e portfolio and distance learning resources to ensure flexible delivery is responsive to learner, employer and situational needs.

Entry Criteria

Entry onto the apprenticeship is subject to a thorough initial assessment to clarify course appropriateness. Entrants must have the ability to achieve Level 2 Functional Skills in English and Mathematics and be able to cope with the Level 3 vocational qualification. Apprentices must have a contract of employment working for a minimum for 30 hours/week
