School Staff/HE Parent Contact	<input type="text"/>		
Staff/HE Parent contact no	<input type="text"/>		
Staff/HE Parent contact email	<input type="text"/>		
School Address/HE Parent Address	<input type="text"/>		
Tel No. (inc. area code)	<input type="text"/>		

**Home Educated Students only** – Please select a box if the student wishes to be considered for the additional English and Maths and / or GCSE Science (Chemistry and Biology) Programmes

GCSE Science ☐ GCSE English & Maths ☐ Function Skills English & Maths ☐

*Please note this is an expression of interest for GCSE Science only at this stage. Students must be working at an appropriate English and maths level to be considered for GCSE Science. They must have either achieved grade 4's in English Language and Maths or be working towards them. In most cases students will be attending GCSE English and maths courses at Myerscough although students with clear evidence of their GCSE work elsewhere will be considered and assessed. Students may express a preference for GCSE or Functional Skills English and maths but ultimately this decision will be made by the College.*

### SECTION 2- Inclusive Learning Information

Does the student have any learning difficulties, disabilities or medical conditions (if no please continue to Section 3) Yes ☐ No ☐

Please provide further details
--------------------------------

### Support Evidence: Applications cannot be processed until all relevant evidence is received:

Date of Report:	Copy Enclosed	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Does the student have any personal care requirements?		Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

*The College does not provide personal/medical care but is willing to work with providers and external agencies that do.*

Does the student have exam concessions evidence in place already?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
---	-----	--------------------------	----	--------------------------

*Please note that Year 1 Level One Agriculture, Animal Care and Horse Care students complete an online exam at the end of term one so schools should ensure that concessions testing is completed in the first half of term one. Eligible Home Educated students will be given the opportunity to complete exam concessions assessments through Myerscough College.*

**School:** Please detail the support that you will have in place for the student whilst at College e.g. 1:1 support, on campus shared support etc.

**Home Ed parents:** We are unable to allow support in classes from relatives or unqualified support assistants. If you feel your son or daughter will need support at College, please contact the 14-16 Co-ordinator.

*Myerscough College is unable to provide support to under 16 learners from schools. Schools must provide support when it is considered appropriate by the College which is assessed at application and interview. Agreed support levels cannot be reduced or withdrawn without the approval of the College Advisory Panel.*

Please add any anything else you think we should know. This might include details of past issues with education, comments on the rest of the KS4 curriculum being studied etc.

### SECTION 3 - EDUCATION

#### Present/last school

Please list all secondary schools attended with dates of entering and leaving: If the student has never been in a secondary school please write this in instead.

School	Address	From	To

Please remember that there are **two parts of the application**. If you have not already done so, you can complete an online application form on our [website](#), select **Courses, 14-16 Courses** and then select the subject area and the course you are interested in. You should then select the **Apply** button. If we do not receive both parts, your application **will not be processed**.

Once we have received both parts of the application form, we will be in touch with information in relation to an interview. You can access the [14-16 Admissions Guide by selecting this link](#).

We will process the information provided within the terms of the Data Protection Act 1998 and the General Data Protection Regulation 2018.
