

FE Bursary Fund Policy and Procedure 2025/2026

Myerscough College has clear criteria under which it administers and distributes funds received from the Department of Education (DfE) and this policy illustrates the different funds that comprise the FE Bursary Fund together with the eligibility criteria and application process.

The College will ensure that all applications for the Bursary Fund and the Discretionary Learner Support (DLS) Fund are considered on the same basis irrespective of age, race, ethnicity, religion, disability, gender, marital status, sexual orientation, belief or faith.

This policy applies to all students at all centres on programmes of study funded by the DfE, subject to meeting eligibility criteria as detailed in this policy and as required by the funding bodies.

Introduction

The FE Bursary Fund comprises of a number of funds:

- **16-19 Bursary Fund.** A key priority of the Government is to eliminate the gap in attainment between those from poorer and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16-19 education and training. The Government provides funding to tackle the disadvantaged both through the Department of Education's (DfE) funding formula and through support to help young people meet the costs of participating in education and training post-16. Young people in the defined vulnerable groups may be eligible for a bursary of up to £1,200, dependent on financial need (pro-rata for courses lasting less than 30 weeks a year). The Bursary Fund is provided by the Department of Education.
- **16-18 Residential Bursary Fund (RBF).** RBF is intended to provide financial help towards the costs of accommodation for young people attending one of the designated providers of specialist provision, where that provision requires the young person to be resident in order to participate because it is not available locally and / or because it requires learners to be available at unsociable hours on a regular basis. RBF should be used to help young people with the costs of accommodation whilst they are learning; the accommodation may be owned or managed by the learning provider or be owned by a private landlord. It is anticipated that the majority of RBF funding will be used to cover accommodation costs. However, RBF may also be used to help with travel costs between the young person's lodgings and the provider where appropriate. The RBF fund is provided by the Department of Education. Please see exceptions listed on page 3 for non-specialist Sports / Public Services courses.
- **16-19 Care to Learn (C2L).** C2L provides funding for childcare to help young parents (defined as those aged under 20) continue in education after the birth of a child. The scheme provides funding for childcare whilst the young parent is engaged in a study programme and is not able to provide care for their child. It can also help the young parent with any additional travel costs involved in taking the child to the childcare provider. C2L can also provide funding for childcare whilst young parents are on work placements or industry placements, where these are a defined part of the study programme. C2L funding is provided by the Secretary of State for Education, acting through the Department of Education (DfE).
- **19+ Discretionary Learner Support for hardship, residential support and childcare (DLS)** DLS is designed to provide financial support to those learners experiencing financial hardship that prevents them from participating in learning. The Learner's specific financial hardship need must be identified within the following areas, 19+ hardship, 20+ childcare, residential support for learners attending specialist provision or COVID-19 response. DLS is available to support Learners studying adult further education and skills in Colleges. DLS funding is provided by the Secretary of State for Education, acting through the Department of Education (DfE).
- **Advanced Learning Loans Bursary Fund.** Disbursed by colleges and training organisations that have an allocated loans facility. This will help vulnerable loans learners, such as those with learning difficulties or disabilities, parents who need help with childcare, and ex-military personnel. The fund will be distributed at the discretion of the provider and is not an entitlement.
- Subject to participation and need, funding may be provided for:
 - **Discretionary Learner Support (DLS):** for hardship, childcare and residential support
 - **Additional Learning Support:** Learning support (including exceptional Learning Support) for 'in learning' support. For example, this includes support for teaching assistants or necessary adjustments under the Equality Act.

- Providers may use up to 5% of their allocations to cover administrative costs
- **Further Education Free Meals.** FE funded institutions are required to make provision for free meals to disadvantaged students following FE courses. Funding is provided by the Department of Education.

Students must:

- Be enrolled on a Further Education Course (not work based training or modern apprenticeship)
- Have a household income of less than £35,000 per annum (including benefits)
- Have parental savings/investments of less than £14,250 (awards may be reduced for savings greater than £10,000)
- Not be on a placement year.
- Follow the criteria as stated in the DfE guidelines.
- Sports / Public Services students only: be studying a specialist sports course to qualify for a residential bursary: students on non-specialist Sport courses or Public Services course do not qualify for a residential bursary.

The amount of the award is determined by income band, based on evidence of annual household income, participation and assessment of financial need, and funding allocated to Myerscough College. Allocations are subject to change each academic year. Funding provided to the College is limited, and funds are to be used to support learners in accordance with the DfE guidance issued to providers.

Where a student's attendance and / or behaviour does not reach the required standard, the funding could be withheld. In addition, if students decide to withdraw from their course, they may be required to repay all or part of any grant already received.

Students aged 16-18 living in Scotland, should contact their local authority to apply for a Scottish Education Maintenance allowance. They may not be eligible for the Bursary.

Students living in Wales should contact their local authority to apply for a Welsh Education Maintenance allowance. They are also entitled to apply for a 16-18 Discretionary Bursary but are not eligible for a bursary for the vulnerable group. Awards to students receiving Welsh EMA will be altered to reflect the EMA payments.

Asylum seekers will be funded in accordance with the DfE Bursary Fund guidance.

Further Education Free Meals

Students apply through the Bursary Fund and must meet the following criteria set by the DfE in order to receive free meals.

The following students may be entitled to free meals:

- students aged 16-18 on 31 August 2025
- students aged 19+ who are continuing on a study programme they began aged 16 to 18 ('19+ continuers')
- students aged 19-24 who are subject to an Education Health and Care Plan (EHC Plan)

Providing that the students or their parents are in receipt of one, or more, of the following benefits:

- Income Support
- income-based Job Seekers Allowance
- income related Employment and Support Allowance (ESA)
- support under part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit (providing they are not entitled to Working Tax Credit) and have an annual gross income or no more than £16,190, as assessed by HMRC.
- Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit with net earnings not exceeding the equivalent of £7,400 pa (after tax and not including any benefits they get).

16-19 Bursary Fund – Defined Vulnerable Group

A maximum payment of £1,200 (increases to £1,650 if entitled to Further Education Free Meals) may be available for the following groups of learners to help with the cost of travel to College, lunch, equipment or other course related costs, assessment will be based on participation and financial need:

- Young people in care
- Care leavers
- Young people receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and anyone who is dependent on them and living with them such as a child or partner
- Young people receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

Awards will be based on students actual needs relating to their course.

16-19 Bursary Fund

Students aged 19+ who are continuing on a study programme they began aged 16 to 18 ('19+ continuers') and students aged 19-24 who are subject to an Education Health and Care Plan (EHC Plan) will come under this fund.

Applications are assessed on a basis of financial hardship, participation and assessment of financial need to help students towards the costs of travelling to College. For students attending the Preston Centre, awards will be given as a contribution towards the cost of a bus pass for use on College / service buses. This is in accordance with the Highways Agency policy to discourage additional vehicles on the College campus. For students attending the other centres, awards will be given as a contribution towards the cost of a bus pass for the local area. Any bus passes lost will **not** be replaced and students will be liable for the cost of their travel during the rest of the term. Students not living on a bus route may be awarded a payment towards the cost of fuel based on mode of transport and mileage travelled. If funds permit additional awards may be made

FCM – If student is entitled to Further Education Free Meals, a food allowance of £2.61 each day (including placements and trips) will be awarded in addition to the above. This will be given in the form of a meal card for Preston, Liverpool and Walton Hall students. For students at other centres a monthly cash payment will be made.

16-18 Residential Bursary Fund

Applications are assessed for a residential bursary for students living away from home during term time, whether staying on campus or in a property on a list provided by our Residential Services.

There are a limited number of residential awards for Sports students. Initially a total of 55 residential Bursaries will be awarded to Sports students studying a specialist sports course. Students on a Public Services course or a non- specialist sports course will not be entitled to any residential Bursary.

Awards will be made from the fund directly to Myerscough College or to the landlord towards the cost of accommodation. If student is entitled to Further Education Free Meals, each award will be increased by £450.

16-19 Care to Learn

Applications are assessed for a C2L award based on students who are young parents, are the main carer and in receipt of child benefit. Either parent can claim providing the other parent is unable to provide childcare (e.g. They are in education themselves or absent) and not claiming childcare through any other source. Parent must be living and studying in England.

C2L payments will be only made to an Ofsted registered nursery, childminder or school (breakfast & after school club). If childcare is provided by a relation to the child, they must be Ofsted registered and also provide care for other children who are not related.

Maximum award is £180 per child per week and payments are made directly to the childcare provider.

C2L will also pay for travel costs, where appropriate, if these are necessary for the student to take their child between childcare and home. Travel costs are only paid if they are additional to the student's normal travel costs from home to the education institution.

19+ Discretionary Learner Support & Advanced Learning Loans Bursary Fund

Applications are assessed as follows:

- **financial hardship:** which may include tuition; registration and exam fees; travel costs; essential equipment; materials and field trips
- **childcare costs:** for parents aged 20 or over (parents **under** the age of 20 can get help through a separate programme called Care to Learn): Care to Learn top up for 19 year olds
- **residential support:** help with accommodation costs (the College must not be within a reasonable travelling distance of a student's home)
- **Support with-IT related costs :** may include help with internet costs and loan of a device for disadvantaged students unable to study online, in the event of local or national measures (19+ Discretionary Learner Support Fund only)
