MyMyerscough

Welcome to our Course Advice Day and Applicant Showcase

I am delighted to welcome you all to our beautiful campus.

Today offers prospective students a great introduction to Myerscough College and University Centre. It provides an ideal opportunity to learn more about the subjects we offer and the exciting career routes open to our students.

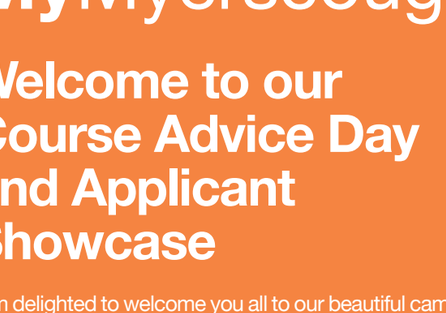

Course tutors are available throughout the event for group talks, individual discussions and displays, as are staff from all our support teams.

If the weather is on our side, I encourage you to have a walk around the campus and take a look at the extensive range of facilities available to our students. Campus maps are included in this programme.

I hope to be able to meet many of you in person today and please feel free to come and say hello if you see me around the campus.

Enjoy your day and we hope to see you back again soon.

Wes Johnson
Chief Executive and Principal

Associate School of the University of Lancashire

University of Lancashire

£30 million ongoing campus development programme

Advice Day Registration

We encourage all students to register online before the Advice Day via the 'What's On' section of our website. However, those that haven't done can still register at the reception desk in our Richmonds Restaurant. Staff will be available if you have any queries about registering. By registering it allows us to be more efficient and speedy in getting you to the most appropriate subject talks in the correct room! Our reception team comprise College staff and current students.

They will provide any course literature that you require and also guide you to the areas for each subject team. It helps us greatly if you could also supply your home address and, if you have one, your current e-mail address. We promise not to bombard you with information or junk mail but we would like to keep you informed of any new course developments and any special events that we host.

Student Services
Admissions, Learning Support, Finance and Transport

As well as course tutors from the various subject teaching areas, you can also speak to staff from our Student Services team who are based in the Higher Education Centre and the adjacent Teaching Block and Accommodation Hub. These include representatives from Admissions and Student Services (Higher Education Centre), Careers Team (Higher Education Centre), Inclusive Learning (Teaching Block), Accommodation (Accommodation Hub), Work Experience & Student Engagement (Higher Education Centre), Transport (Teaching Block) and Student Finance (Teaching Block). They will be able to provide information on aspects as diverse as College transport and accommodation, application procedures, course fees, learning support opportunities and student finance..

College Welcome Talk

Everybody can watch our welcome and overview by our Director of Marketing, Stuart Davidson, via the event page under the 'What's On' section of our website **www.myerscough.ac.uk**.

MyCampus

Accommodation at Myerscough

Our Student Accommodation Team will be on hand in the Accommodation Hub (opposite Richmonds) for advice all morning. There will also be set accommodation talk times. Please see page 3 for more information.

Careers Team

Not sure what your next move is? Why not talk to our Careers Team who are based in the Higher Education Centre all morning.

Myerscough Catering Services

We have various catering facilities open throughout the day including our fabulous Richmond's Restaurant.

Library and Laboratories

Our College Library is open all day so please feel free to drop in at any point. The College Laboratories can be discussed and viewed within subject tours.

Toilets

Both mens and ladies toilets are positioned in the entrance foyer area outside Richmonds Restaurant. Additional toilets are available in most buildings throughout campus.

University Partnership

Myerscough College and University Centre is an Associate School of the University of Lancashire, a dynamic, vibrant and contemporary university located in Preston city centre. We are proud to work in partnership with them to provide the county's first Veterinary School. Ask us about the benefits of our partnership!

Speak to us about the partnership today over in our Higher Education Centre.

Hedgehog Friendly Campus

We are a Gold Standard Hedgehog Friendly Campus here at Myerscough. Find out more and visit our Tombola today.
